

50 Year Reunion

Class of 1962

*On the left side of South Molalla Avenue stood tall,
our alma mater school, Molalla Union High.*

*For those whom walked the halls with us,
we knew when we left a few would want to cry.*

*After three long years of strength and fun,
we finally were close to our sought after goal.*

*It was the ambition since entering school
for 124 seniors to show up on the class roll.*

*In classes, in sports, and in other activities,
our tasks, at times, we felt was hard to do.*

*We met many obstacles retarding progress,
but our "never die" spirit carried us through.*

*Our last year in school passed, for some, way too soon,
we can recall with certain emotion the good times there.*

*To our teachers, the administrators, and classmates,
we wished them all good fortune, no matter where.*

*After fifty years we come to meet and reminiscence
about all the days that we shared in Molalla High.
Perhaps we are a little older and somewhat grayer,
it dosen't matter, we are not ready yet to say goodbye.*

50th class reunion

*In 1958 as freshmen we thought we were the brightest
coming from the city and each small, country school.*

*As sophomores we thought we just knew it all
and would bypass some of the more ridged rule.*

*Our junior year many knew was a whole lot easier
and then the big day of a mighty senior came.
A few chosen by our worthy classmates back then,
I will now revel and again present their name.*

*Us mighty, determined seniors were 124 in number
this special class of nineteen sixty two.*

*We done our best for many years
and for more success we knew just what to do.*

*Dave was elected as our class president
in meetings and debate he won much fame.
On the girl, after school, he had a crush and married
if asked, I will reveal her name.*

*Don served during 1962 as our vice-president
knowing full well there wasn't much to do.
He did however show up to many of the meetings,
and perhaps that is why we made it through.*

I divorced in 1996 after 30 years of marriage. In 2006 my son Scot, 34 passed on March 22. The same year my daughter, Jennifer, 28, passed on June 14. It was the worst year of my life. They died of unrelated reasons. Both were unexpected, This is the first year there is relief from the grief- I am ready for it!

After the kids died I moved up to Whidbey Island, to get away from the area we all lived. I have a beautiful view of the bay, and the tip of Mt Baker. This is where we all loved to vacation-

50th class reunion 1962

*Mary Ann hailed in from Dryland Road,
and Queen of May day festivities was she.
Because she was voted fairest for the position,
with that, I am sure you will all agree.*

*Tom was known, by girls, as a handsome lad,
a leader, a speaker you might want to say.
The girls all envied the senior girl
who already had captured his heart away.*

*Linda was chosen to speak to our classmates
and wanted to go on to school the next year.
All her work she did and did so well,
on her success in life we had no fear.*

*Karin was our war whoop editor and
she always found news to gather and write.
She also volunteered to be a committee member
and shared her time and help at night.*

*Now this ends the small but important number
of pupils I mentioned in our class.
Just smile and visit with them and other classmates,
and thank the Good Lord each of us did pass.*

*Kathy did all the work as a secretary
while she kept the meetings on track.
Many seniors knew it was their last year,
and they did not have plans of coming back.*

*Jackie was in charge of all the money,
even though, there was very little to spend.
During our four years at Molalla Union High,
on the secretary and treasurer we did depend.*

*Bert, Tom and Rich were the elected guardians
better known as sergeants at arms for the class.
They must have had a little influence each time,
because we believe all the seniors did pass.*

*Barbara received the Indian Maiden award
and a sweet and shy girl then was she.
To get her lessons done she never failed
and remained as good as good can be.*

*Larry was the red haired high school boy,
and when it came to girls somewhat shy.
He said it was cause he did not know them
but he soon got over it with a smile and a hi.*
